TIME OUT

---

Dartmouth Arms is an eating, drinking and listening  
pub serving great food, drink and Hi-Fi sounds.

Our food is elegant and seasonal, with a Pub Menu  
for drinkers and a three course Dining Menu for eaters.

And yes, we do a great Sunday Roast.

Our drinks are tasty and carefully chosen,  
with plenty of locally produced beers, ciders,  
wines and spirits.

Music is played on a beautiful Hi-Fi sound system by  
vinyl-only DJs, local record collectors and staff.

We have a number of areas for  
private dining and drinks parties.

## Fireplace

Our most popular and cosiest private space, Fireplace is ideal for a long table dinner or a group of friends catching up over some music by the fire.

## Mews

Named after the cobbles neighbouring the pub, Mews is our most private space. From the Mews you can watch what's happening on York Rise or close yourself off from the world and enjoy food and drink in full privacy.

## Music Room

Our largest space, the location of our lovingly built Hi-Fi sound system, and featuring a stunning 'cloud' of dried grasses overhead.

Music Room is ideal for large groups who want fully private drinks or dining, and is regularly used for small weddings, birthdays and family celebrations, working lunches, local business dinners, screenings and listening parties.

## Full Private Hire

We are a community pub, but we occasionally close to the public for private use. We host weddings, big family celebrations, Christmas and Summer parties, business ‘away-days’, working lunches and regularly offer space for photo shoots and filming.

If you need a private space, then please get in touch for a chat.

## Picnics & House Parties

Disappearing Dining Club have been hosting dinners and parties across London, the UK and occasionally overseas since 2010, before making Dartmouth Arms our home in 2018.

We regularly host picnics on Hampstead Heath, drop canapés round for house parties, serve dinner and drinks at nearby homes, and have access to a range of terrific spaces across London for anything we can’t accommodate at Dartmouth Arms.

---

## Events

We are full of great event ideas and can help with lighting, sound, screens, décor, flowers and foliage and photography as well as great food and drink.

You can also chat to us about wine and spirit tastings, cooking classes and demonstrations, cocktail classes, interactive quizzes, bingo, DJs, live music and an endless number of event activities and entertainment.

When it comes to food, drink and music, there’s very little we cannot do.

CLUB

---

Disappearing Dining Club have been serving great food and drink in unusual and private places since 2010.

What started out as a series of big, loud and late-night dinner parties in East London, has become an ever-growing list of work including pop-up restaurants in Back in 5 Minutes on Brick Lane, Ropewalk on Maltby Street, award-winning collaborations with mega brands like IKEA and Adidas, and countless dinners, parties, weddings and festivals across London, the UK and occasionally overseas.

In 2018 we fell in love with Dartmouth Arms and have been doing things there the DDC way since 2018; seasonal ingredients, proper cooking, tasty drinks, helpful staff, and dinner-party-friendly-disco-music.
